The moonlight  
Shines down interstellar beams  
And the groove tonight  
Is something more than you've ever seen  
The stars and planets taking shape  
A stolen kiss has come too late  
A stolen kiss has come too late

In the moonlight  
Carry on, keep romancing  
Carry on, carry on dancing  
In the moonlight  
Carry on, keep romancing  
Carry on, carry on dancing

You're never safe till you see the dawn  
And if the clock strikes past midnight  
The hope is gone  
To move under

Carry on, keep romancing  
Carry on, carry on dancing  
Carry on, keep romancing  
Carry on, carry on dancing

Closer  
Passion  
Stronger

There's a magic only two can tell  
In the dark night  
Ultra-violet is a wicked spell  
The stars and planets taking shape  
A stolen kiss has come too late

Carry on, keep romancing  
Carry on, carry on dancing  
Carry on, keep romancing  
Carry on, carry on dancing

Carry on, keep romancing  
Carry on, carry on dancing

Carry on, keep romancing  
Carry on, carry on dancing
