Hmm ohh, I will come  
Maybe it's intuition  
Somethings you just don't question  
Like in your eyes, I see my future in an instant  
And there it goes, I think I've found my best friend

I know that it might sound  
More than a little crazy  
But I believe

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

There's just no rhyme or reason  
Only a sense of completion  
And in your eyes, I see the missing pieces  
I'm searching for, I think I've found my way home

I know that it might sound  
More than a little crazy  
But I believe

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

Ooh hoo ooo, hoo hoo ooo ohh  
A thousand angels dance around you  
(Ooh hoo, hoo ooo hoo ooo hoo hoo hoo)  
I am complete now that I have found you

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you

I have been waiting all my life

I knew I loved you before I met you, I knew I loved you  
(Ooh hoo ooo, hoo hoo ooo)

I knew I loved you before I met you, I knew I loved you  
(Ooh hoo ooo, hoo hoo hoo)

I knew I loved you before I met you  
(Oh oh, ohh ohh, oh oh oh ay ay yea oh)

I knew I loved you before I met you, I knew I loved you  
I knew I loved you before I
