Anytime I need to see your face  
I just close my eyes  
And I am taken to a place where  
Your crystal mind and  
Magenta feelings take up shelter  
In the base of my spine  
Sweet like a chic a cherry cola

I dont need to try and explain  
I just hold on tight  
And if it happens again I might move  
So slightly  
To the arms and the lips and the face  
Of the human cannonball  
That I need to I want to

Come stand a little bit closer  
Breath in and get a bit higher  
Youll never know what hit you  
When I get to you

Ooh I want you  
I dont know if I need you  
But ooh Id die to find out  
Ooh I want you  
I dont know if I need you  
But ooh Id die to find out

Im the kind of person who endorses  
A deep commitment  
Getting comfy getting perfect  
Is what I live for  
But a look then a smell of perfume  
Its like Im down on the floor  
And I dont know what Im in for

Conversation has a time and place  
In the interaction of a lover and  
A mate  
But the time of talking  
Using symbols using words

Can be likened to a deep sea diver  
Who is swimming with a raincoat

Come stand a little bit closer  
Breathe in and get a bit higher  
You'll never know what hit you  
When I get to you

Anytime I need to see your face  
I just close my eyes  
And I am taken to a place where  
Your crystal mind and  
Magenta feelings take up shelter  
In the base of my spine  
Sweet like a chic a cherry cola

I don't need to try and explain  
I just hold on tight  
And if it happens again I might move  
So slightly  
To the arms and the lips and the face  
Of the human cannonball  
That I need to I want to

Ooh I want you  
I don't know if I need you  
But ooh I'd die to find out  
Ooh I want you  
I don't know if I need you  
But ooh I'd die to find out  
So Can We Find Out
