Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone
I'll give it to someone
special

oh oh oh.....

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby do you recognize me?
Well it's been a year it doesn't surprise me

Happy Christmas
I wrapped it up and sent it with a letter
Saying I love you I meant it
Now I know what a fool I've been
But if you kissed me now I know you'd fool me again

Last Christmas I gave you my heart
But the very next day you gave it away - you gave it
away
This year to save me from tears
I'll give it to someone special - special

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special - special

Oooh

A crowded room friends with tired eyes
I'm hiding from you and your soul of ice
My god I thought you were someone to rely on

Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A man under cover but you tore me apart
Oooh
Now I've found a real love you'll never fool me again

Last Christmas I gave you my heart
But the very next day you gave it away - you gave it
away
This year to save me from tears
I'll give it to someone special - special

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone
I'll give it to someone
special

(repeat until fade)
