Whether I'm right or wrong
There's no phrase that hits
Like an ocean needs the sand
Or a dirty old shoe that fits

And if all the world was perfect
I would only ever want to see your stars
You know, they can have their universe
We'll be in the dirt designing stars

And darlin' you knowin'
You make me feel so beautiful
Nowhere else in the world I wanna be
You make feel so beautiful, oh, oh

Whether I'm up or down
There's no crowd to please
I'm like a faith without a clause
To believe in it

And if all the world was smilin'
I would only ever want to see your frown
You know, they can sail away in sunsets
We'll be right here stranded on the ground

Just happy to be found
You make me feel so beautiful
Nowhere else in the world I wanna be
You make feel so beautiful, oh, oh

I have lost my illusions, I have drowned in your words
I have left my confusion to a cynical world
I am throwin' myself at things I don't understand
Discover enlightenment holding your hand

You are so beautiful
Yeah, darlin' you knowin'
Now, you make me feel so beautiful
(Nowhere else in the world I wanna be)
Yeah, you make feel so beautiful

Darlin' you knowin'

You make me feel so beautiful
Nowhere else in the world I wanna be
You make feel so beautiful

Darlin' you knowin'
You make me feel so beautiful
Nowhere else in the world I wanna be
You make me feel so beautiful, oh, oh

Yeah, darlin' you knowin'
You are beautiful, you are
You are so beautiful
