And we stare each other down
Like victims in the grind
Probing all the weakness
And hurt still left behind and we cry
The tears of pearls
We do it, oh we do it

Is love really the tragedy
The way you might describe?
Or would a thousand lovers
Still leave you cold inside?
Make you cry
These tears of pearls

Oh, all these mixed emotions
We keep locked away like stolen pearls
Stolen pearl devotions
We keep locked away from all the world

Your kisses are like pearls
So different and so rare
But anger stole the jewels away
And love has left you bare
Made you cry
These tears of pearls

Well I could be the tired joker
Pour my heart to get you in
Sacrifice my happiness
Just so I could win
Maybe cry
These tears of pearls

Oh, all these mixed emotions
We keep locked away like stolen pearls
Stolen pearl devotions
We keep locked away from all the world

We twist and turn where angels burn
Like fallen soldiers we will learn
Once forgotten, twice removed
Love will be the death

The death of you

Uh baby
Ah come on darling
Ah mmm,mmm
(Come on)
Mmm, hey
(Come on)
(Oh, oh, oh, oh)

All these mixed emotions
We keep locked away like stolen pearls
Stolen pearl devotions
We keep locked away from all the world

Oh, all these mixed emotions
We keep locked away like stolen pearls
Stolen pearl devotions
We keep locked away from all the world
