Here I go again I promised myself I wouldn't think of
you today
It's been seven months and counting
You've moved on
I still feel exactly the same
It's just the that everywhere I go all the buildings know
your name
Like photographs and memories of love
Steel and granite reminders
The city calls your name and I can't move on

Ever since you've been gone
The lights go out the same
The only difference is
You call another name
To your love
To your lover now
To your love
The lover after me

Am I all alone in the universe?
There's no love on these streets
I have given mine away to a world that didn't want it
anyway
So this is my new freedom
It's funny
I don't remember being chained
But nothing seems to make sense anymore

Without you I'm always twenty minutes late

Ever since you've been gone
The lights go out the same
The only difference is
You call another name
To your love
To your lover now
To your love
The lover after me

And time goes by so slowly

The nights are cold and lonely
I shouldn't be holding on
But I'm still holding on for you

Here I go again
I promised myself I wouldn't think of you today
But I'm standing at your doorway
I'm calling out your name because I can't move on

Ever since you've been gone
The lights go out the same
The only difference is
You call another name
To your love
To your lover now
To your love
The lover after me
