If there's a way that you could be everything you want
to be
Would you complain that it came to easy?
Just like the games with you and me
A resolution hard to see
But that's okay 'cause I don't see things that are plain
to see

I've got a dream to take you over
Exploding like a supernova
I'm going to crash into your world
And that's no lie

You want to give ecstasy delivered with certainty
But you're afraid that the pleasure won't be needed
In a way, we're the same two people looking out to sea
For a wave that would carry all our fantasies

If there's a way to infiltrate you
Sway your mind and complicate you
I'm going to crash into your world
And that's no lie

(Do do do)
Let your body move into the doorway
(Do do do)
To the disco inside your head
(Violet)
(Do do do)
Wear a color that you want to cling to
(Do do do)
The color inside your head
(Violet)

Contemplate jealousy
Intermixed with urgency
A million things take a damned good shot at you and
me

If there's a way to infiltrate you
Sway your mind and complicate you
I'm going to crash into your world

And that's no lie

(Do do do)

Let your body move into the doorway

(Do do do)

To the disco inside your head

(Violet)

(Do do do)

Wear a color that you want to cling to

(Do do do)

The color inside your head

(Violet)

I'm gonna take you

I'll do my best to break you

I'm gonna take you higher

And that's no lie

The common sense is a game

Many people don't like to play

But give it in and the moment takes you either way

I've got a dream to take you over

Exploding like a supernova

I'm going to crash into your world

And that's no lie

(Do do do)

Let your body move into the doorway

(Do do do)

To the disco inside your head

(Violet)

(Do do do)

Wear a color that you want to cling to

(Do do do)

The color inside your head

(Violet)

(Do do do)

Let your body move into the doorway

(Do do do)

To the disco inside your head

(Violet)

(Do do do)

Wear a color that you want to cling to

(Do do do)

The color inside your head

(Violet)

(Do do do)

If there's a way that you could be everything you want

to be
(Do do do)
Would you complain that it came to easy?
(Violet)
(Do do do)
In a way, we're the same two people looking out to sea
(Do do do)
For a wave that would carry all our fantasies
(Violet)
