Cool breeze and autumn leaves  
Slow motion daylight  
A lone pair of watchful eyes  
Oversee the living

Feel the presence all around  
A tortured soul  
A wound unhealing  
No regrets or promises  
The past is gone

But you can still be free  
If time will set you free

Time now to spread your wings  
To take to flight  
The life endeavor  
Aim for the burning sun  
You're trapped inside

But you can still be free  
If time will set you free  
But it's a long long way to go

Keep moving way up high  
You see the light  
It shines forever  
Sail through the crimson skies  
The purest light

The light that sets you free  
If time will set you free

Sail through the wind and rain tonight  
You're free to fly tonight  
And you can still be free  
If time will set you free  
And going higher than mountain tops  
And go high like the wind don't stop  
And go high

Free to fly tonight

Free to fly tonight

Free to fly tonight
