Losing my grip on the cliffs of love  
Can I possibly be wrong?  
First time I'm uncertainty a sign from above  
Am I weak, am I strong?

Where should I go to? Who could I ask?  
Torn by doubt to shed this difficult task

Losing my grip on the cliffs of love  
[Unverified]  
But first I'm ecstatic the second I'm tough  
Is it wise to go on?

Today, I'm comfortably sailing away  
Cherishing all that's okay  
So I don't need a council  
Don't need the lecture  
I don't need the attitude

Today, I'm comfortably sailing away  
Listening to all that you say  
So I don't need a shoulder  
I don't need the blame  
And I don't need the alphabet

Losing my grip on the cliffs of love  
How long can I still hold on?  
It's getting tragic, it's getting tough  
Have I lost? Have I won?

I have no place to go to, no place to stay  
I don't no where my mind is gonna end up today

I'm comfortably sailing away  
Cherishing all that's okay  
So I don't need a council  
Don't need the lecture  
I don't need the attitude

Today, I'm comfortably sailing away  
Listening to all that you say  
So I don't need a shoulder

I don't need the blame  
And I don't need the alphabet

Today, I'm comfortably sailing away  
Cherishing all that's okay  
So I don't need a council  
Don't need the lecture  
I don't need the attitude

Today, I'm comfortably sailing away  
Listening to all that you say  
So I don't need a shoulder  
I don't need the blame  
And I don't need the alphabet
