I can show you the world
Shining, shimmering, splendid
Tell me, baby, now when did
You last let your heart decide?

I can open your eyes
Take you wonder by wonder
Over, sideways and under
On a magic carpet ride

A whole new world
A new fantastic point of view
And when you're way up here, it's crystal clear
Now I'm in a whole new world with you

Don't you dare close your eyes
Hold your breath, it gets better

A whole new world
With new horizons to pursue
I'll chase them anywhere, there's time to spare
Let me share this whole new world with you

A whole new world
A new fantastic point of view
No one to tell us no or where to go
Or say we're only dreaming

Don't you dare close your eyes
Hold your breath, it gets better
I'll chase them anywhere, there's time to spare
Anywhere, there's time to spare
Let me share this whole new world with you

A whole new world
You and me
You and me
