Time can never mend

The careless whisper of a good friend

To the heart in mind

Ignorance is kind

There's no comfort in the truth

Pain is all you'll find

I feel so unsure

As you take my hand and lead me to the dance floor

As the music dies

Something in your eyes

Calls to mind a silver screen

And all it's sad goodbye

Chorus:

I'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know you're your not a fool

Should have known better than to cheat a friend

Waste a chance that I've been given

So i'm never gonna dance again

The way I dance with you, oh

Time can never mend

The careless whisper of a good friend

To the heart and mind

Ignorance is kind

But there's no comfort in the truth

Pain is all you'll find

(Chorus)

Tonight the music seems so loud

I wish that we could lose this crowd

Maybe it's better this way

We'd hurt each other with the things we want to say

We could have been so good together

We could have lived this dance forever

Now who's gonna dance with me

Please stay
