Man: We just I.D. the suspect as Drama

Chorus 2x:

Ya'll niggas been booming birds
Fuck what you heard man
Ya'll niggas been setting up shop
Ain't nothing going on
You think that I don't know what's going down on
Godby Road

36 ounces man Caribbean cocaine
This dope game is all I know so how you might let it go
Feds they got me fucked wanna hear a nigga snitch.
But I ain't a sucka yo and I ain't no fuckin hoe
So fuck what you talking and you can speak to my
lawyer bro
Cause snitches get stitches throwed off in ditches with
they dome split
What the fuck you mean what the fuck you thank I'm all
about this bank
I ain't no snitch I ain't no hoe so you can let it go
Give me ten years I'll do five and be free once again
In the lab cooking that yay I'm all about my ends.

Chorus 2x

Hit Robby Rob on that hip cause he got yay for days
He fronted me five first and told me Drama fuck them
jays
Give him three and I keep two and that was all good
See in this game it ain't no rules for foes and friends
It's every nigga for himself trying to get an end
See Godby Road it just ain't what it use to be
Niggas clocking bread and trying to get this meal ticket
This game we play is all so real and yes these streets
be wicked
28 grams and an ounce of a thousand and 8 per key
Drop by the music store to holler at Reggie and use the
phone
I never use the phone at home cause it might be
tapped

And that's the first mistake to get a nigga ass wrapped
Door kicked in house tossed up but that's just how they
do it
Wanna catch a nigga slipping and try to put it to em
Taking to jail giving no bond and lead the judge to em
It won't be me it can't be me so fuck ???
Holler at Punch up in the barber shop you heard
something
He told me yeah I heard them folks they looking for you
Drama

Chorus 2x
