Cool me up, up, up
Cool me up, up, up
Cool me up, up, up
Cool me up, up, up

I'm near the bonfire
I gotta quench my desire
I don't wanna expire
Got to get way higher

I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher

Cool me up, up, up
Cool me up, up, up
Cool me up, up, up
Cool me up, up, up

I'm in the heat, heat, heat
I'll never cry in the street, street, street
Dancing to the beat, beat, beat
Now it's complete, complete, complete

I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher

Cool me up, up, up
Cool me up, up, up
Cool me up, up, up
Cool me up, up, up

I'm in the flare
I will make a dare
I won't play fair
I wouldn't even care

I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
I'm burning up, I got to be cooler, so cool me up, up, up
and take me higher
