

## Savan "I'll Be There"

Visit "[I'll Be There](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Whenever you think  
That you are all alone  
Cause I am there  
So pick up the phone  
I am in the sand  
I am in your land  
I am in every one  
Of your tears  
I'll take all  
Of your fears  
You know that  
We are always one  
No one can  
Separate us  
No matter what  
They have done  
So think positive

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

If I die before  
You do  
I'll be at heaven

Waiting for you  
When our life is  
Done  
And every single  
Game is done  
Even if we die  
We're still gonna  
Be in the sky  
We are never  
Ever going to  
Say goodbye  
Never gonna cry  
We are going to  
Fly high in the sky

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

There is no one  
Coming for  
Our big call  
But if we just  
Belive  
There is no  
Way that we  
Can fall  
I know you think  
That sometimes  
You are all  
Alone  
When you look  
Around  
I am there

Everywhere  
I'll be  
Always with you  
I'll have faith  
In all you do  
I can only be  
With you

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there

Never think that  
I am gone  
I'll make you think  
That I am there  
Everywhere  
I am there
