Sometimes we're just born lucky
No matter what we do we've won
But it's not fair cause others
Never they will win no matter what they done

Some people are just born lucky
They just win at everything
They never lose
Not like other people

Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck

Some people find love
So easily
Some people never find love
When they're trying harshly

It's not fair for others
They lose at everything
Some people win so easily
They don't even have to try

Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck

It's not fair for others
They lose at everything
Some people win so easily
They don't even have to try

Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
Born with luck
