Girl I need you now
Girl I need you now
Girl I need you now
Girl I need you now

The past was different, and I broke your heart
Now this time, we're set far far apart
How many times have I scolded you
Or said something insulting
It's gonna be too late
Someday, you and I can be friends again

I need ya, I need ya, I need you now
I need ya, I need ya, I need you now
I need ya, I need ya, I need you now
I need ya, I need ya, I need you now

The past was different, and I broke your heart
Now this time, we're set far far apart
How many times have I scolded you
Or said something insulting
It's gonna be too late
Someday, you and I can be friends again

I need ya, I need ya, I need you now
I need ya, I need ya, I need you now
I need ya, I need ya, I need you now
I need ya, I need ya, I need you now

I broke your heart before but I broke your heart door
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah,
yeah, yeah,
I need you, I need you, more than I need anyone else
More than I need her
More than I need hime
I need you more than any of them

I need ya, I need ya, I need you now
I need ya, I need ya, I need you now
I need ya, I need ya, I need you now
I need ya, I need ya, I need you now

I broke your heart before but I broke your heart door
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah,
yeah, yeah,
I need you, I need you, more than I need anyone else
More than I need her
More than I need hime
I need you more than any of them

I need you now
I need you now
I need you now
I need you now
