Ohhhhhhhhhhhh

Combine our looks
Combine the good books
Mix the design, ohhh
Baby please be mine

Be my guest
Be the best
No other quest
Can beat the rest

You world is my world
When you're mine, my heart will be fine
Your life is my life
And you're breath is mine too

Share our face
Share our fate
Share the flames
Share our names
Share our world
Never be apart
Be my girl
Share our heart

You have to be the girl for me
So just love love me perfectly, ohhh
Don't ever leave my side
If you do it'll hurt inside, ohhh

You world is my world
When you're mine, my heart will be fine
Your life is my life
And you're breath is mine too

Share our face
Share our fate

Share the flames
Share our names
Share our world
Never be apart
Be my girl
Share our heart

You're my first love ever
Nobody did that never
Be mine, be mine, you be the one for me
You be mine, you be the one for me

You world is my world
When you're mine, my heart will be fine
Your life is my life
And you're breath is mine too
