I'm looking out my mirror, and I see a lot of people
I can tell who they are just by looking at them
I don't even need a single clue
And I can tell that one of them is a jem

Nah, nah, nah, go again
Nah, nah, nah, say again
I can tell who they are but I want to know
Who I am, who I am, who am I

Nah, nah, nah, go again
Nah, nah, nah, say again
I can tell who they are but I want to know
Who I am, who I am, who am I

I look in my mirror to see my face again
But nothing's getting clearer for me
I just need a little tiny clue about who I am
I figured out who they are, with just one quick see

Nah, nah, nah, go again
Nah, nah, nah, say again
I can tell who they are but I want to know
Who I am, who I am, who am I

Nah, nah, nah, go again
Nah, nah, nah, say again
I can tell who they are but I want to know
Who I am, who I am, who am I

I need to know, I need to know who I am
I need to see, I need to see the pain within
Just tell me one thing that I don't know
I need to see, I need to see my future plans

Nah, nah, nah, go again
Nah, nah, nah, say again
I can tell who they are but I want to know
Who I am, who I am, who am I

Nah, nah, nah, go again
Nah, nah, nah, say again

I can tell who they are but I want to know
Who I am, who I am, who am i
