[Zack] Thought we'd always be together
[Kelly] I was sure our love would last.
[everyone] Here I am, all alone, wonderin what went wrong.
Did we ever have a chance?

[Zack] It's hard to see this world without you.
[Kelly] A lonely place without romance.
[everyone] Here I am, all alone, wondering where you've gone.
Did we ever have a chance?

[Slater] What did we promise to each other?
[Lisa] What were the words we said
[Slater] Lookin back to yesterday
[everyone] When we started out
Did we ever have a clue
What love was all about?

[Zack] Thought we'd always be together
[Kelly] I was sure our love would last.
[everyone] Here I am all alone wonderin what went wrong
Did we ever have a chance?
