It seems like only yesterday we started  
But soon we'll put away our books and pens  
We'll go on with our lives once we have parted  
But how can we say farewell to our friends

The double dates, the parties, and the dances  
Cramming for a mid-term until 3  
The football games, the max, and the romances  
Soon bayside will be just a memory

Our four years here have all become unraveled  
And so our high school story finally ends (It finally  
ends)  
But years from now no matter where we've traveled we'll  
all look back  
And think about our friends

We'll all look back and think about our friends
