i could hardly believe it  
when i heard the news today  
i had to come and get it straight from you

they said you were leaving  
someone swept your heart away  
from the look upon your face i see its true

so tell me all about it  
tell me bout the plans your making  
and tell me one thing more before i go

how am i supposed to live without you  
now that ive been loving you so long  
how am i supposed to live without you  
and how am i supposed to carry on  
when all that ive been living for is love  
how am i supposed to live without you  
now that ive been loving you so long  
how am i supposed to live without you  
and how am i supposed to carry on  
when all that ive been living for is love
