We're Absent but still we're in motion
like everything we do its just an *aspect* of our
attitude
this Thursday feels just like a weekend
its nothing to do with the things we pursue

this life-support I'm watching
spikes as I'm excited
so rarely speaking
ive come to considering
talking of this on a better day

go-ga ga go
get your kicks somewhere else
so you still got your health
and we still have our pride
you see me coming up fast we're the good guys
woahhhhhh

presence in causing commotion
the best you've seen yet
so you say with conviction
still we're all for this pretending
we'll go to ground as the sun crashes down

this life-support I'm watching
spikes as I'm excited
so rarely speaking
ive come to considering
talking of this on a better day

got to got to get
get your kicks somewhere else
so you still got your health
and we still have our pride
you see me coming up fast we're the good guys
woahhhhhh

got to got to get
get your kicks somewhere else
so you still got your health

and we still have our pride
you see me coming up fast we're the good guys
woahhhhhhh x5

got to got to get
get your kicks somewhere else girl x 4

woahhhhhhh (woahhhhh)

got to got to get
get your kicks somewhere else
so you still got your health
and we still have our pride
you see me coming up fast we're the good guys
woahhhhhhh
