Baby I Said Fight, Fight!

Baby I said fight fight and I meant it
maybe we need some time alone to regroup
and apply all the laws of attraction...
Baby, we need some time.

I made the first move baby I said hi and you said
maybe
this crowd seems empty or am I just tempted to say
goodnight.
I am a must see tv i saw how and you said easy
this bottle seems empty or am i just tempted to fight,
fight, fight.

Baby I said fight fight and I meant it
maybe we need some time alone to regroup
and apply all the laws of attraction...
Baby, we need some time.

When you came on to me your vision was blurred
what a dramatic way let me buy you a drink
and we'll sing oh-oh-oh your not leavein here alone.

Baby I said fight fight and I meant it
maybe we need some time alone to regroup
and apply all the laws of attraction...
Baby, we need some time.

What I really meant to say was, "I can feel it"
