When I'm alone
I sometimes get to thinkin'
How it's gonna be
When we're gone
Are we moving closer together
Or is it gonna take forever and ever?

CHORUS

Let it go
Let it go
Let it flow like a river
Let it go
Let it go
Let it flow through you
Let it go
Let it go
Let it flow like a river
Let it go
Let it go
Let it flow through you

Searching everywhere
Just to find a reason
A misunderstanding in doubt
Don't want to preach it
Push it up, teach it
Just take a good look all around

(Chorus)

Was it gonna follow
That angels wanna follow you
To help you on your way
Time spent together
Like now, is forever
So don't ever let this smile slip away

(Chorus x2)
