Sad and Deep As You  
by Dave Mason

Lips that are as warm could be  
Lips that speak too soon  
Lips that tell a story  
Sad and deep as you

Smile that's warm as summer sun  
Smile that gets you through  
Smile that tells a story  
Sad and deep as you

Eyes that are the windows  
Eyes that are the view  
Eyes that tell a story  
Sad and deep as you

Tears that are unspoked words  
Tears that are the truth  
Tears that tell a story  
Sad and deep as you
