[Verse 1]

You waste away these years,
(You never had an answer)
Erase those memories,
(You never had an answer for)

[Chorus]

Inside it's so hard to fake it,
This time I'm not going to save you,
(I brought these hearts down with me)
Burn all my memories of you,

Inside it's so hard to fake it,
This time I'm not going to take it,
I'll watch it disappear in the fire,
And burn these hearts down with me,
(I brought these hearts down with me)

[Verse 2]

These selfish intentions we share
(You never had an answer)
This emptiness fills us I swear
(You never had an answer for)

[Chorus]

[Bridge]

Inside it's so hard to fake it
This time I'm not going to save you,
Burn all these memories of you,

Inside it's so hard to fake it
This time I'm not going to save you,
I'll watch it disappear in the fire
(I brought these hearts down with me)

(Inside it's so hard to fake it
This time I'm not going to save you,
I brought these hearts down with me)

[Outro]

All my memories of you...

(Burn all my memories of you)
[X4]
