You say it wouldn't work
it wouldn't take
it wouldn't do any good
it wouldn't change a thing
and I being I
can't say much to deny it
but I'm stuck with an urge
to only have tried it
you say it wouldn't do
it wouldn't shake
it wouldn't make any waves
it wouldn't be no use
and you being you
you know sure how to phrase it
and I being I
I just have to embrace it....
Don't I
you say it wouldn't breathe
it wouldn't move
it wouldn't stay in the groove< BR>it wouldn't stand a
chance

you say it wouldn't wash

it wouldn't wear

it wouldn't go anywhere

it wouldn't do it for you

you say it wouldn't float

it wouldn't stick

it wouldn't sink like a brick

in a bottomless pit
