Give it everything you got
Just another kid waiting for a break
Is just bad news
Everybody's working 9 to 5
You got to pay your dues
But listen to your heart
Don't let them take away your time
Forget about tomorrow
Stop waiting for a sign
Ya gotta give it everything, kid
Give it everything you got
Ya gotta give it everything
Give it everything you got (everything you got)
Can you hear the whistle blowin' in the night
Somewhere down the line
It's calling out your name, baby
Leave you blues behind
If you wanna take a chance
Step right up and ring the bell
Let me see your best shot
Only time will tell
Ya gotta give it everything

Give it everything you got
Ya gotta give it everything, baby
Give it everything you got (everything you got)
Just another kid waiting for a break
Is just bad news
Everybody's working 9 to 5
You got to pay your dues
But listen to your heart
Don't let them take away your time
Forget about tomorrow
Stop waiting for a sign
Ya gotta give it everything, kid
Give it everything you got
Ya gotta give it everything
Give it everything you got
Ya gotta give it everything
Give it everything you got
Ya gotta give it everything, baby
Give it everything you got

Give it everything you got!
