In the mists of Avalon\*  
She's waiting there for you  
In the mists of Avalon  
She's waiting there for you  
With sword of power, forged in steel  
Your desire to make the deal  
Excalibur is yours to take  
Deep inside the crystal lake  
In the mists of Avalon  
She's waiting there for you  
The Lady of the Lake  
You must be brave and true  
Avalon, Avalon  
Mystic power's in your hand  
Take the blade and free the land  
Unite the kingdom sea to sea  
Excalibur, your destiny  
In the mists of Avalon  
She's waiting there for you  
The Lady of the Lake  
You must be brave and true  
Avalon, Avalon  
In your heart you must be true  
Abuse the power she gave to you  
Betray your vows, you'll stand alone  
Excalibur, return to stone  
In the mists of Avalon  
She's waiting there for you  
The Lady of the Lake  
You must be brave and true  
Avalon, Avalon  
In the mists of Avalon  
She's waiting there for you  
In the mists of Avalon  
She's waiting there for you  
In the mists of Avalon  
She's waiting there for you
