I was born on the back streets on the rotten side of town

I never had me nothin' just people pullin' me down  
I'm livin' on the dark side across the rail road track  
Leavin' wasn't easy but I'm never going back

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all

I'm stickin' in the fast lane, I never wanna quit  
I'm takin' all my chances, I'm gonna take them quick  
I started from the bottom, I'm headin' to the top  
Ain't nobody gonna help you boy 'cause we're never gonna stop

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all

I was born on the back streets on the rotten side of town

I never had me nothin' just people pullin' me down  
I'm livin' on the dark side across the rail road track  
Leavin' wasn't easy but I'm never going back

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all

Never surrender  
When you're up against the wall  
Never surrender  
Stand up, fight them all  
Never surrender
