White Line fever  
Takes me high  
Another city  
Another lie  
Another town  
Another face  
Another woman to take your place  
Catch the bullet  
Ride the storm  
Drive me crazy 'till the dawn  
Like an eagle flying high  
Look for freedom in the sky  
She's a rock 'n roll gypsy  
Don't go breaking my heart  
She's a rock 'n roll gypsy  
She's gonna tear me apart  
Rollin' thunder  
Movin' on  
Another time  
Another song  
Another room  
Another night  
Another dream  
Another fight  
Keep on movin' down the line  
Gypsy woman on my mind  
Ask no questions tell no lies  
See the answers in my eyes  
She's a rock 'n roll gypsy

Don't go breaking my heart  
She's a rock 'n roll gypsy  
She's gonna tear me apart  
(Hey gypsy, you're breakin' my heart,  
Tear me apart)  
White Line fever  
Takes me high  
Another city  
Another lie  
Another town  
Another face  
Another woman to take your place

Catch the bullet  
Ride the storm  
Drive me crazy 'till the dawn  
Like an eagle flying high  
Look for freedom in the sky  
She's a rock 'n roll gypsy  
Don't go breaking my heart  
She's a rock 'n roll gypsy  
She's gonna tear me apart  
She's a rock 'n roll gypsy  
Don't go breaking my heart  
She's a rock 'n roll gypsy  
Yeah
