Well, you're brought up on the street
Did ya make it on your own
Are ya living in the shadow
Crawling in the night
Sleeping in the subway
Beggin' for a fight
Makes ya grow up hard boy
Aren't you ready for a fight
I don't need no one
You can keep you sympathy
I live on my own
I would make that company
I don't need no one

And you're feeling rough and ready
Rough and ready with me

You can change my life
You can read my mind
I don't want no one
I don't have no one
I don't need no one
You can keep your sympathy
Well, you're brought up on the street
Did ya make it on your own
Are ya living in the shadow
Crawling in the night
Sleeping in the subway
Begging for a fight
Makes ya grow up hard boy
Ain't you ready for a fight
I don't need no one
You can keep you sympathy
I live on my own
I would make that company
I don't need no one
You can keep you sympathy
I live on my own
