You say you're the shade of my face from my father's
share crops
My people were slaves before yours invented hip hop
Apologize but I'm in on the joke
Another brother to scoff at the dancing patterns of
white folk

I think I'm fine the way I am
And yes, I chase my milk with ham
I think I'm fine the way I am

Jesus died a Jew, pupils painted blue
Yeah, haters know it's true, Jesus died a Jew

You say you're the breath of my nose from my daddy's
ear locks
Shunned before you pieced it and sold it and called it
punk rock
Apologize for the murder of God
Like Judas the traitor we are both favored and deeply
flawed

I think I'm fine the way I am
Although we broke our promised land
I think I'm fine the way I am

Jesus died a Jew, pupils painted blue
Yeah, haters know it's true, Jesus died a Jew
So I'll let it burn away, let it burn away
Let it burn away, let it burn away, away
