If we gotta go, then let's go now  
If we gotta go, then let's go down  
You're in the dirt, what's gone wrong?  
It's gonna hurt, but not for long  
No, not for long...  
No, not for long...

Home  
You gotta fight your own  
Bag of bones  
No, no  
You're not on your own  
We don't sleep alone  
We don't sleep alone

Everyday feels like minutes long  
So, a good nights rest is a whole year gone  
But, all I've seen, and all I've done  
I wouldn't trade it, no, not for minute one  
Not for minute one...  
Not for minute one...

Home  
You gotta fight your own  
Bag of bones

No, no  
You're not on your own  
We don't sleep alone  
We don't sleep alone

There's no place like...  
Now you're on your own, Now you're on your own  
It's where your head lies...  
Like you've always know, like you've always know  
When you cant sleep at night  
You're all alone, You're all alone  
There's no place like...  
There's no place like...  
I'm not gonna go...

Home

You gotta fight your own  
Bag of bones  
Bag of bones  
No, no  
YouÂ're not on your own  
Not on your own  
We donÂ't sleep alone  
We donÂ't sleep alone  
We donÂ't sleep alone
