You're a killer  
With an angels face  
You get away with all your wicked ways  
Wide eyes  
Make a great disguise  
You can't buy your own goodbyes...

What are you selling now?  
You're selling out  
Yea, you lost your innocence  
It was nice to meet ya  
Yea, you keep on giving in  
It was nice to meet ya  
It's nice to meet ya

I never turn on what I can't get off

In outerspace  
You'll be a star  
Perfect, picture perfect  
Where you are

Why do I try?  
You always cry  
You only smile while you're getting high

What are you selling now?  
You're selling out

Yea, you lost your innocence  
It was nice to meet ya  
Yea, you keep on giving in  
It was nice to meet ya  
It's nice to meet ya

Now I'm split in two  
I've become half me and half you  
Oh, the things you do  
With your, with your  
Dirty hands, dirty mind, dirty mouth all over mine

Yea, you lost your innocence  
Yea, you keep on giving in  
Yea, it's just a little sin  
Yea, fuck your innocence

It was nice to meet ya  
It's nice to meet ya
