I was dreaming
I was warm
It's a cold world
I'm hiding from
When I woke up
I blame you
It's a cold world
You brought me to

Will the dream keep me safe?
Will being safe make me smile?
Will a smile make me happy?
Will being happy bring me love?
Quit saying wake up
Quit saying wake up...

I've been dreaming
With my eyes wide
I've been fighting
With my hands tied
Then you found me
All alone
In the cold world
You've always known...

Will the dream keep me safe?
Will being safe make me smile?
Will a smile make me happy?

Will being happy bring me love?
Quit saying wake up
Quit saying wake up...
Wake Up

I don't want to hear from world
I won't get out of here, alive
I don't want advice
From the heroes, who don't survive
I don't want to hear from world
I won't get out of here, alive
I don't want advice
From the heroes, who don't survive

Will the dream keep me safe?
Will being safe make me smile?
Will a smile make me happy?
Will being happy bring me love?
Quit saying wake up
Quit saying wake upÂ...
Wake Up
Wake Up
Wake Up
Wake UpÂ...
