[Originally by Bob Dylan]

Go away from my window
Leave at your own chosen speed
I'm not the one you want babe
I'm not the one you need

You say you're looking for someone
Who's never weak but always strong
To protect you and defend you
Whether you are right or wrong

Someone to open each and every door...

[Chorus:]
But it ain't me babe
No, no, no
It ain't me babe
It ain't me your looking for babe

Go lightly from the last pain
Go lightly on the ground
I'm not the one you want babe
I will only let you down

You say your looking for some one

Who'll promise never to part
Some one to close his eyes for you
Someone to close his heart

Someone who will die for you and more...

[Chorus]

Go mount back in the night
Everything inside is made of stone
There's nothing in here moving
And anyway i'm not alone

You say you're looking for someone
Who'll pick you up each time you fall

To gather flowers constantly
And to come each time you call

And love you for your life and nothing more...

It ain't me babe
No, no, no
It ain't me babe
It ain't me your looking for ...
