She's a breakdown she's a liar
But she always sets me on fire
Man I hate her I can't deny it
And though she's my only desire

I can't get away from her
(No matter how hard try it)
I will let her go I swear
(I just need a little more time right now)

Ohhh Â– beautiful, beautiful, beautiful you are girl
Ohhh Â– I'll offer you the world

Ohhh Â– I can't believe what you do to me girl
Ohhh Â– it feels so good to be next to you girl
Ohhh Â– I can't believe that this is the truth girl
Ohhh Â– it feels so good to be next to you girl

I'm addicted to a nightmare
But I don't wanna wake up no I don't care
I'm a victim I'm the offender
But I will not ever surrender

I can't get away from her
(No matter how hard try it)
I will let her go I swear
(I just need a little more time right now)

Ohhh Â– beautiful, beautiful, beautiful you are girl
Ohhh Â– I'll offer you the world

Ohhh Â– I can't believe what you do to me girl
Ohhh Â– it feels so good to be next to you girl
Ohhh Â– I can't believe that this is the truth girl
Ohhh Â– it feels so good to be next to you girl

I'll let you down
Before I break

Ohhh Â– I can't believe what you do to me girl
Ohhh Â– it feels so good to be next to you girl
Ohhh Â– I can't believe that this is the truth girl

Ohhh Â– it feels so good to be next to you girl
