Oh yeah, oh yeah  
Oh yeah, oh yeah

Back in my review, still a picture perfect you  
Slow down so I can see, who my passenger should be  
Lovely your style of light, brought you beauty into my  
sight  
Knew my direction and follow the girl in the Mercedes  
Benz

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Drove around for a little while  
I guess you could say I was following her now  
Pulled up to a big old house  
She signaled to me to get on out

She said I know you think your slick  
But ain't nothing coming near me if I don't go near it  
I guess you could imagine it now  
And me and the girl in the Mercedes Benz

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Oh yeah, oh yeah  
Oh yeah, oh yeah

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Nothing against the Jags  
Nothing against the Rolls  
Nothing against the Fords or the Chevy's  
But I got to have the Benz

Nothing against the Cads  
Nothing against the Lex  
Don't really matter what your running in  
I gotta have the girl in the Mercedes Benz

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination

Didn't care how far she'd go  
Tank full, top down, come on let's roll  
Had a girl she was great but I changed direction  
'Cause the girl in the Benz was my destination
