So many sins you've created
So many sins upon your self
So many sins upon me

I am pacified by fear
You are a sign of my end
This fear of being deceased closer and

Closer, why do you have to come?
Why do I die? why?
Your curse over me
Why over me? why?
Damien, Damien, Damien, Damien.

Pluck me out before I burn
Pluck me out before I weep
Pluck me out I'm in hell
Should have never shown your soul
I should have never seen it
Now you come
Closer and closer it never stops

Closer, why do you have to come?
Why do I die? why?
Your curse over me
Why over me? why?
Damien, Damien, Damien, Damien.

You drown me in the fire
Stitch me with your wire
Now you wanna take my life away
Now you wanna snatch my dreams

This world you've created Each building is a temple of
sin 2x

You are a temple of sin 2x

Damien, Damien, Damien, Damien
