stay  
its broken  
it's over  
nobody stays

can you see the scars bothering my skin  
hoping you'd pale up and die  
i'll pray that you'd bleed cuz  
it's broken  
it's broken

stay now  
it's broken  
it's over  
watch me

hang from my ceiling

stay now it's broken

can you heal these scars  
i made them myself  
hoping you'd love me agin  
i'll pray that you bleed  
don't love me again cuz  
its broken  
its broken

stay now it's broken its  
watch over me  
hang from my ceiling  
stay now its broken  
go ahead and drink my photographs  
go ahead and go

i'll follow you  
will you stop dancing  
cant you see your toes they're bleeding

stay don't die away  
go ahead and drink it

go ahead and drink my photographs go ahead go
