I see the sadness in your soul
I want to apologize
But how can I come in it's locked my dear
The angels are dead come on let's fly before the
Green fades away

Come on fuck me to sleep
And tell me that we'll be okay
Come on lie to me and tell that we'll live again

Hit me in I'll take you far
Your eyes are so pretty
Can you still see me?
Look! my tears are freezing
The devils are dancing
Come on let's fly before the green fades away

Come on fuck me to sleep
And tell me that we'll be okay
Come on lie to me and tell that we'll live again

All the needles in your head are under my bed
I wanna fall into an deep sleep
Please! it's getting too heavy
I beg of you lie to me
I beg of you lie to me
Fake it!

Come on fuck me to sleep
And tell me that we'll be okay
Come on lie to me and tell that we'll live again
