Hear me until you're asleep
I scream at death to come back for you and
Keep her inside
Will she still be alive when I get home
Will I see her awake

Fate come back for her
Alone I suffer drowning in my tears
I felt her fears when I heard her scream

Try to hush each night
And pretend she's awake over and over again

Just ignore all the flies buzzing in and out of her
Lifeless mouth when I get home
Lets pretend
I'll pretend she's awake

Fate come back for her
Alone I suffer
Drowning in my tears
I felt her fears when I heard her screaming

She yelled so high it scraped the sky...

Pinky can you hear me?

Scream!!! can you hear me?!
Scream!!! can you hear me?!
Hear me?! hear me?!

She yelled so high it scraped the sky...
She yelled so high it scraped the sky...

Pinky will I see you awake?

No!! where'd she go!?
No!! where'd she go!?

Hear me when I get home
Lets pretend
I'll pretend she's awake...
