Im sorry I didn't mean to melt her face off  
Im sorry I didn't mean to burn her hair  
Sorry is all you can fuckin say

All the tears that you cry  
Can never bring her back  
All the tears that you cry  
Now she's gone  
You tore my doll apart

Who's gonna be there when I get scared  
Who's gonna wear this dress that I made  
Cry like hell, cry like hell's all you can fuckin do

All the tears that you cry  
Can never bring her back  
All the tears that you cry  
Now she's gone  
You tore my doll apart

You've decapitated her  
Turned her hair into dust

All the tears that you cry  
Can never bring her back  
All the tears that you cry  
Now she's gone  
You tore my doll apart

I can just leave her alone  
Locked inside my dark cabinet  
Would you let me burn you too  
Would you do

All the tears that you cry  
Can never bring her back  
All the tears that you cry  
Now she's gone  
You tore my doll apart

Im sorry I didn't mean to melt your face off
