Take your pictures down off the TV stand.
Don't forget to take me with you.
I remember every time. I remember every night.
I remember every time!
God it makes me sick to know
You could be at your home alone
When I get tired of wandering will you be there? Will
you be waiting?
Lay around in bed. Just think of me instead.
Don't forget I'm always with you.
I know it isn't fair. I know it isn't fair.
Yeah.
Yeah.
Yeah!
Yeah!
And I've gotta find a way to get back to you.
And I've gotta find a way back
