God be damned if you think that I'll wait / for / you.

You know I can't do that. I never could believe in myself  
for more than one day you know. You know.

I'm in love with someone else and baby you know her.

Maybe you could fall in love with someone just like me.

This is where I belong, belong to you.

Fall in line or fall behind whatever you do

You know we'll always have this time of year. Some day  
when I'm home for more than one day you know. You  
know.

I'm in love with someone else and baby you know her.

Maybe you could fall in love just to spite me.

This is where I belong, belong to you.

TAKE ME HOME! I KNOW I WILL NEVER BE GOOD  
ENOUGH

TAKE ME HOME! I KNOW I WILL NEVER BE GOOD

ENOUGH

FOR

YOU

What you want is what you get and I can't stand failure

Stand up straight. Walk out proud. And walk all over  
her.

This is where I belong, belong to you
