Music by Steven Kolacny, Lyrics by Vincent Neyt

close your eyes
love of mine
warm your bones
by the fire

all of your worries
all of your sighs
let them all go up in smoke
let them all see you smile

a little more each time
a little more each time
even if it takes all night
I'll make you smile

don't be shy
it's only me
i think it's time now
to set you free

free from all dark thoughts
free to go wild
shout it out into the sky
let the moon see you smile

a little more each time
a little more each time
even if it takes all night
I'll make you smile

the cinders from the fire
the twinkle in your eye
it takes me by surprise
I'm so surprised

a little more each time
a little more each time
even if it takes all night
you will smile

now its all
said and done
how do we
carry on?

now its all
said and done
how do we
carry on?
carry on
carry on
