Don't be fooled  
By our looks

We are no angels  
With pretty faces

Oh no

We sit in darkness  
But we are watching  
All of you

Masquerade of fools

We've all got secrets  
We want to keep them  
From you

You can't come with us  
Beneath the surface

Oh no

Masquerade (2x)  
Of fools (3x)

The ball commences  
You feel defenseless  
Don't you?

We dance in circles  
We dance with fervor  
For you

You try to catch us  
To take us hostage  
But we will always disappear before your eyes

We all are prisoners  
Of smoke and mirrors  
And after dark we float away into the night

Masquerade (2x)

Of fools (3x)
