I've been roaming around, always looking down and all  
I see  
Painted faces fill the places I can't reach

You know that I could use somebody  
You know that I could use somebody

Someone like you and all you know and how you speak  
Countless lovers undercover on the street

You know that I could use somebody  
You know that I could use somebody  
Someone like you

Off in the night while you live it up, I'm off to sleep  
Waging wars to shake the poet and the beat

I hope it's gonna make you notice  
I hope it's gonna make you notice

Someone like me  
Someone like me  
Someone like me, somebody

Go and let it out

Someone like you, somebody  
Someone like you, somebody  
Someone like you, somebody

I've been roaming around  
Always looking down and all I see
